Start the Conversation: How to Talk with Young People about Vaping, JUULs, and Other Electronic Nicotine Products

Presented by: Tri-County Health Department and Broomfield Public Health

SKILL-BUILDING WORKSHOP
Is vaping and electronic nicotine product prevention a challenge in your school or community? Being a trusted adult and having conversations that push young people’s critical thinking is key to reducing this challenge. At this workshop, parents, families, staff, and community members will learn about the principles of trusted adult conversations and the health effects and legal consequences of vaping. Then, they will practice trusted adult conversations and receive resources to talk to young people and assist them in learning more about and quitting vaping.

LOGISTICS

Date: Wednesday, January 29th, 2020
Time: 6:30 – 8:00 pm
Location: Westlake Middle School, 2800 W 135th Ave, Broomfield, CO 80020
