

Our Core Values

Core values for an agency are demonstrated in the behavior and decisions of all its employees.

Tri-County Health Department employees have chosen the following five core values that will guide behavior, policy, and decision-making. These values not only apply to how we interact with each other internally, but how we treat our partners and clients externally.

Respect

We treat others with the same dignity as we wish to be treated. We honor the whole person and recognize the importance of work-life balance and diverse perspectives. We recognize the power of teamwork and appreciate the unique contributions that each member of a team can make.

Integrity

We maintain consistency in what we say and what we do. We uphold high ethical standards and maintain accountability to each other and the communities that we serve.

Courage

We stand up for what is right in the face of adversity. We communicate openly and welcome honest feedback. We advocate for those who cannot do it for themselves.

Excellence

We strive for the highest quality in everything that we do. We pursue opportunities and seek creative and innovative solutions to the challenges that face us.

Leadership

We believe that everyone can be a leader. We empower others to act; we encourage everyone to reach their fullest potential; and we model our core values.
