

Diaper Changing Procedure

1. Wear a new pair of disposable gloves prior to each diaper change.
2. Place child on a clean, disinfected, dry changing table.
3. Clean child's body with a pre-moistened disposable wipe.
4. Remove gloves and discard with soiled diaper in a lined and covered trash receptacle.
5. Replace soiled diapers and clothing with clean items.
6. Place soiled clothes in a plastic bag.
7. Wash child's hands under running water with soap and dry their hands with a disposable towel.
8. Return the child to the crib or play.
9. Disinfect the following: • Diapering area • Equipment and supplies • Any surface or furnishings contaminated with urine or feces
10. WASH YOUR HANDS.
