

Student Proposal for Master's Project/Practicum at Tri-County Health Department

Tri-County Health Department will consider outside project proposals. If you are interested in proposing a project/practicum at Tri-County Health Department please submit a 1-2 page document that includes the following:

- **Project/Practicum Description:**
Brief Background (Please address the following questions: What are the goals and objectives? Why do you want this done? What is the public health significance? How would Student/TCHD benefit from this project/practicum? What does the project/practicum entail?)
- **What skills do you have to conduct this project?**
- **What additional areas do you believe you will need help, in order to complete this project?**
- **Description of equipment needs or costs associated with the project/practicum**
- **Project/Practicum timeline and student hours**
