What is Public Health?

Tri-County Health Department is the largest local health department in Colorado. It is our mission to protect, promote and improve the health, environment and quality of life of the 1.5 million residents of Adams, Arapahoe and Douglas Counties.

Most of the work of public health agencies is population based—that is, it focuses on improving the health of the entire community. We help you to make the healthy choice the easy choice!

Tri-County Health Department
Public Health Services for the Residents of Adams, Arapahoe and Douglas Counties

www.tchd.org
General Information: 303-220-9200

Tri-County Health Department has achieved national public health accreditation—the measurement of health department performance against a set of nationally-recognized, evidenced-based standards.

Many programs have age, residency or income requirements. Some are offered for free or on a sliding-fee scale. Not all services are offered at each location. Tri-County Health Department values and welcomes people of all ages, ethnicities; genders and gender identities/expression; sexual orientations; languages spoken; nationalities and cultures; physical, mental and developmental abilities; races; religions; and, socio-economic, insurance and immigration status. Printed on recycled paper.
