

What is Public Health?

Tri-County Health Department is the largest local health department in Colorado. It is our mission to protect, promote and improve the health, environment and quality of life of more than one million residents of Adams, Arapahoe and Douglas Counties.

Most of the work of public health agencies is population based—that is, it focuses on improving the health of the entire community. We help you to make the healthy choice the easy choice!

Tri-County Health Department

Public Health Services for the Residents of Adams, Arapahoe and Douglas Counties

Birth and Death Certificates

Certified birth certificates are needed for work, passport applications and many school programs

- Birth certificates are available for people born in any county in Colorado
- Death certificates are issued only for deaths that occurred in our three counties
- Call 303-220-9200 for information and fees, or order online at www.tchd.org

Nutrition Services

Our nutrition programs promote good food and activity choices for healthy living

WIC – Women, Infants and Children

The supplemental nutrition program provides nutritious foods, education and referrals for income-eligible women who are pregnant or breastfeeding, and children up to age five

Nutrition Education

Registered Dietitians are available for nutrition presentations:

- Community organizations
- Child care staff
- Schools and health fairs
- Breastfeeding support

Health Promotion

- Obesity prevention
- Older adult fall prevention
- HIV/AIDS outreach and testing
- Chronic disease screenings
- Injury prevention
- Tobacco prevention/cessation
- Worksite wellness
- Substance abuse prevention
