

COVID-19 Best Practices for Retail Stores

Check employees for symptoms before shifts

- Fever
- Cough
- Difficulty breathing/shortness of breath
- Chills
- Headache
- Sore throat
- New loss of taste or smell

Employees should wash their hands frequently for at least 20 seconds

Maintain a 6-ft. distance between employees and customers

Provide hand sanitizer for customers in several areas of the store

Employees are required to wear a mask that covers their nose and mouth

Clean and disinfect counters, credit card readers, screens, and other surfaces frequently
