Community Garden Guidelines

10 Simple Steps for COVID Prevention

1. Stay home if you are feeling sick.
2. Wash or disinfect your hands BEFORE entering the garden and AFTER garden participation.
3. If you have sanitizing wipes or hand sanitizer, bring them with you.
4. Wear gloves, or use your sleeves, when opening and closing gate locks.
5. If you borrow tools during operating hours, please follow the protocol requested by garden staff.
6. Practice social distancing measures by keeping a 6 foot distance.
7. Keep the number of people in the garden at any time to 10 and under.
8. Wear a cloth face covering of some kind when attending the garden.
9. Avoid crowding and respect the requests of garden staff.
10. Remember to have fun, enjoy the sunshine and happy gardening!

Please check cdc.gov, covid19.colorado.gov, and tchd.org/coronavirus for the most up-to-date information on COVID-19 recommendations and guidelines.
